

# Businesses could face over \$10 billion in claims from Hurricane Sandy.

In our experience, getting fair insurance coverage is rarely straightforward. We've helped our clients resolve, litigate, and appeal insurance coverage disputes arising from hurricanes and a host of other disasters. To learn more about our track record and how we can put our experience to work for you, visit [dicksteinshapiro.com](http://dicksteinshapiro.com).

# Over 70% of trade secret breaches come from insiders.

In our experience, it is painful, but true, that a company's intellectual property is most often compromised by trusted employees — often key ones. Learn how we've helped companies protect their ideas, their processes and brand. Visit [dicksteinshapiro.com](http://dicksteinshapiro.com).

\$482 million in one of the largest  
patent verdicts of the year.

In our experience, winning a landmark patent case is not just about the law. It is about making the science and business case as well. We are proud to have won the largest patent verdict in 2012 on behalf of a software developer. Visit [dicksteinshapiro.com](http://dicksteinshapiro.com) to learn how we can put our experience to work for you.
